

CAMPS 2017

Campers participate in fun-filled activities throughout the day with a focus on their camp theme. A supervised lunch and half-hour free time begins after 11:30am offering campers a chance to participate in unstructured play, board games, chat, mingle and make new friends.

Fridays, following lunch, a dance party will happen in place of free time. A nut-free snack will be provided daily.

In addition to themed activities, campers will have the opportunity to explore the Conservatory and gardens, create arts and crafts and participate in camp games.

Campers will enjoy 2017 Exhibitions including: **Blooms & Butterflies** and **Topiaries at the Conservatory: Wild Wonders**.

Camp Hours: Monday–Thursday 9am–4pm, Friday 9am–3pm

AGES 11–13

Summer Scientists: June 12–16 NEW

Investigate and experiment! Enjoy life science exploration, chemistry, playing with physics, special guests and more.
